## PROPOSAL

LIST OF SUBCONTRACTORS

In compliance with the provisions of Section 103-29 of the Hawaii Revised Statutes, the bidder shall include in his bid the names of each person or firm to be engaged by the bidder as a contractor or subcontractor in performance of the construction contract. The bidder shall also indicate the license number and the scope of work to be performed by such joint contractor or subcontractor.

Fully complete the table below. Where the bidder will be performing any listed category of work, write "Self" in the blank provided for the subcontractor's name. Complete this list by adding any missing categories of work. Failure to fully complete this list, including listing "Self" for the scope of work to be performed by the bidder, may result in bid being deemed incomplete. Should each and every listed contractor and subcontractor license not be current, active, and valid, at the time of bid opening, (as described in the Instructions To Bidders, Page B-4, Award of Contract) the bid will be rejected.
